

Kent Stake Young Women's Camp – Youth and Parent Agreement

Young Women's camp is right around the corner and we can't wait! We are so excited for each of you young women to learn and grow as women of God and disciples of Christ.

We will be attending Zions Camp again this year. Zions camp has asked that as their guests, we follow all camp rules. The following list is not all inclusive but will give you an idea of what they expect.

- No open-toed shoes. (Except at water's edge)
- Wearing long pants is advised.
- With the exception of using the bathrooms, be at your long house area between 10 pm and 7 am,.

Kent Stake YW camp rules! The following list is not all inclusive but will give you an idea of what we expect (see For the Strength of Youth pamphlet).

- Be kind and inclusive to all.
- Participate in prepared activities.
- Always use appropriate language.
- No cell phones. If a YW wants to call home, day or night, she may do so at the designated phone station.
- If you see or hear something that makes you uncomfortable or that a leader should know about, please say something.
- Sneaking out or sneaking around will result in a call home and or being sent home.
- Being disrespectful to other youth and or leaders or disrupting the spirit at camp may result in a call home and/or being sent home.
- Young Women's Camp is for young women who identify as disciples of Christ. We are asking that you do not disrupt the spirit of camp by engaging in romantic behavior, or the appearance thereof, pranking, conversations around politics, unrevealed doctrine or sexual preferences or activities of any kind. If you participate in or encourage immoral behavior, including but not limited to, breaking the law of chastity, viewing or distributing pornography, in any form, it may result in contacting your Bishop and/or parent and being sent home. Spending the night at camp requires strict adherence to these guidelines. If a biological young woman identifies as anyone other than a young woman you are welcome to participate in all daytime activities and we ask that you be prepared to return to your home each night.

We want you to know how much we love you and look forward to you being at camp and participating in all the activities. If you have something you want to do, just ask. You never know, a leader may just say "you bet" and go with you to make sure you are safe.

Our goal for camp is to have you Young Women feel the Spirit of the Lord, grow closer to God as you build your testimonies, make new friends, grow in unity and love with one another – and have a great time doing it...!

If you have any questions or concerns of any kind, please mark the box and we will reach out to you.
