

September 2017

Brothers and Sisters, the Stake Presidency is excited for our upcoming Stake Conference weekend on September 15-17.

As a stake, we have the special opportunity to be instructed by Elder David L. Stapleton, Area Seventy, as well as other stake leaders and members. This is a unique opportunity and we ask that you make the meetings during this weekend a priority.

We invite all endowed members to attend the temple on Friday, September 15<sup>th</sup> with an emphasis to attend either the 4:00 pm or the 6:00 pm temple session. On Saturday there will be a Priesthood Leadership session at 4:00 pm and the adult session at 7:00 pm. The general session will begin on Sunday at 10:00 am.

We will be broadcasting the Sunday morning general session to the Kent Building on 94<sup>th</sup> Avenue South. For the Sunday meeting we encourage you to arrive early for seating.

We look forward to worshipping with you on this special weekend and thank you for all your dedicated service.
