2018 Changes to Curriculum – Additional Guidance

At the Stake Priesthood Leadership session held this past Thursday, we presented an overview of the 2018 Curriculum changes for Melchizedek Priesthood and Relief Society. This presentation has been posted on our Kent Stake Web Site.

In the presentation, we identified that additional information would be made available from the Church in the November Ensign. This information is now available and can be found at the below links (also posted on our Kent Stake Web Site):

What Is Different?

First-Sunday Council Meetings

Second- and Third-Sunday Meetings

Fourth-Sunday Meetings

As indicated in our presentation, the Fifth Sunday topics will be chosen by the Bishopric.

We look forward to your implementation of these changes and the positive impact of this new approach inspired by our Prophet and Apostles.

Thank you for all you do in your commitment to your stewardship responsibilities – we sincerely appreciate you.

Sincerely yours,

Darold R. Stroud
