

Happy 2020! Our Book of Mormon year has started, and term two begins Jan. 21st. You should be receiving your student's first report card by Jan. 25th. We are half way through the seminary year!

Reading Requirement

Assigned reading use to be the responsibility of the teacher to track, with encouragement from home. Things have changed! With home centered Gospel study, seminary supports the learning in Come Follow Me. Your student needs to keep track of their reading on their own. The easiest way is on the myseminary app. At the end of four years of seminary, all reading would be recorded for graduation. Don't wait for four years to begin reading! Start now, and get it recorded! (You will notice that reading is no longer on the report card. It is accounted for at the end of senior year. Yikes! Stay on top if it!)

Graduation Requirements:

- **Read all 4 sets of scripture
- **Keep 75% attendance for four years
- **Get a 75% on assessments

Calendar Items:

- **Friday, June 5th Last day of seminary
- **Weds., June 10th Seminary Graduation

Parents: thank you for the support that you give to the Kent Stake Seminary program! We appreciate you!
