

Our **next devotional**, "Our Journey From Palmyra," will be broadcast at the Kent Stake Center on July 18th at 7 pm.

Our Journey from Palmyra takes us to those founding events and places where the Restoration "of all things" took place. Led by two of the church's leading scholars and historians, six single adults from the North America West Area explore what these world changing events between the heavens and earth mean to them in their lives today. And what they mean to you.

So, put this devotional on your calendars and gather with your friends!
